

ARCHITECTURAL

WATER FEATURE - ALL SAINTS CHURCH, WATFORD
 The water rises up the pillars & runs out over the DOME into the reservoir below.

DISPLAY

EXHIBIT DISPLAY - SETOUT LTD
 The use of our stock Domes to clearly display small items has always been a way to focus interest.

DOMES

HANDS ON EXHIBIT - TECHNIQUEST
 A good example of a 900mm diameter Dome being used on an interactive display.

GENERAL FABRICATION

THOMAS HEATHERWICK STUDIOS
 For Longchamps new flagship store in New York, we produced this unique balustrade, another example of our many skills and abilities.
